 A) 16                      B) 23                      C) 36                      D) 39
74. Part IV of Indian Constitution deals with  
 A) Fundamental Rights  
 B) Fundamental duties  
 C) Scheduled Caste and Tribes  
 D) Directive principles of State Policy
75. Which Article of the Constitution of India confers on the Indian Citizens the Right to form associations?  
 A) Article 18 (1)                      B) Article 18 (2)  
 C) Article 19 (1)                      D) Article 19 (2)
76. Descended from a common ancestress but by different husbands is known as ----- relationship  
 A) Uterine blood                      B) Full blood  
 C) Half blood                      D) Sapinda
77. **Assertion (A):** Most of the development programme failed in reaching the actual target groups.  
**Reason (R):** Lack of administrative structure  
 Choose your answer from the codes given below:  
 A) Both (A) and (R) are not correct.  
 B) Both (A) and (R) are correct and (R) is the correct explanation of (A).  
 C) Both (A) and (R) are correct, but (R) is not the correct explanation of (A).  
 D) (A) is correct, but (R) is not the correct explanation of (A).
78. The chief legal advisor of Indian Government is known as:  
 A) Attorney General                      B) Chief Justice  
 C) Advocate General                      D) Public Prosecutor
79. Lok Adalat is also called as:  
 A) Panchayat                      B) People's Court  
 C) Tribunal                      D) Rural Court

80. Match the items of List – I with items of List – II:
- |                                 |           |
|---------------------------------|-----------|
| List – I                        | List – II |
| a. Family Court Act             | i. 1984   |
| b. Child Marriage Restraint Act | ii. 1955  |
| c. Dowry Prohibition Act        | iii. 1961 |
| d. Hindu Marriage Act           | iv. 1929  |
- Codes : a      b      c      d
- A)      i      iv      iii      ii
- B)      i      iii      iv      ii
- C)      iii      iv      ii      i
- D)      i      ii      iii      iv
81. **Assertion (A):** Reformation of criminals is possible with the appointment of professional social worker in prisons.  
**Reason (R):** Professional social workers are equipped with knowledge and skills to deal with such issues.  
Choose your answer from the following codes:
- A) (A) is correct, but (R) is not correct explanation to (A)  
B) Both (A) and (R) are correct and (R) is not the correct explanation of (A).  
C) Both (A) and (R) are not correct.  
D) Both (A) and (R) are correct and (R) is the correct explanation to (A).
82. Variance is
- A) Range  
B) Quartile Deviation  
C) Measure of Skewness  
D) The average of the squared differences from the mean
83. Which of the following is not a primary source of data collection?
- A) Observation                      B) Interview  
C) Referral                              D) Questionnaire
84. **Assertion (A):** The protection of women by Domestic Violence Act, 2006 has increased the accountability of the family.  
**Reason (R):** This will further deteriorate the already weak institution of family.  
Choose your answer from the codes given below:
- A) Both (A) and (R) are correct, but (R) is not the correct interpretation of (A).  
B) Both (A) and (R) are correct and (R) is the correct interpretation of (A).  
C) (A) is correct and (R) is wrong.  
D) Both (A) and (R) are wrong.
85. "I keep six honest serving-men (They taught me all I knew) Their names are What and Why and When And How and Where and Who". This is a famous quote of:
- A) Creswell      B) Stringer      C) Kelthin      D) Kipling

86. Memoing is related to:  
 A) Quantitative Research      B) Qualitative Research  
 C) Grounded theory            D) Mixed method
87. Epistemology refers to:  
 A) Nature of 'knowledge'      B) Nature of 'reality'  
 C) Approaches or 'tools'      D) None of the above
88. **Assertion (A):** Working with persons with disabilities requires that social worker has an in-depth understanding of the effect of disability on the individual.  
**Reason (R):** Disability may lead to psychological problems which require the attention of social workers.  
 Choose your answer from the following codes:  
 A) Both (A) and (R) are correct and (R) is the correct explanation of (A).  
 B) Both (A) and (R) are correct, but (R) is not the correct explanation of (A).  
 C) (A) is correct, but (R) is not correct.  
 D) Both (A) and (R) are not correct.
89. Gender is an example of:  
 A) Nominal Scale                      B) Ordinal Scale  
 C) Interval Scale                      D) Ratio Scale
90. The content to which researcher is free from personal bias and opinions:  
 A) Standardization                  B) Objectivity  
 C) Subjectivity                        D) Reliability
91. A School of thought that stresses perception of completeness and wholeness, and that when perceptions become abnormally inaccurate, they can lead to psychopathology:  
 A) Person Centered approach      B) Gestalt Approach  
 C) Reality approach                  D) Existential approach
92. Affect in counselling refers to:  
 A) Love                      B) Hatred                      C) Feeling                      D) Impact
93. An example of preventive counselling is:  
 A) Client centered                      B) De-addiction  
 C) Group counselling                  D) Pre-marital counselling
94. Who among the following is related to social cohesion?  
 A) Edward Twitchell Hall              B) Marshall McLuhan  
 C) Buckminster Fuller                  D) J. M Fuster
